Risk Management

To ensure a balanced representation of Councillors on committees and sub committees. There are no financial impacts to this report.

Objective

To promote good governance and ensure an effective and well-functioning democracy at all levels.

Report

As a result of the recent Newsham by election result, this results in an additional 1 committee place across the Councils 3 main committees for the Labour group, in addition to other sub-committee changes.

In 2 of these committees, the previous Newsham Councillor was a member and in the Governance Committee, this has required the Conservative group to have a Councillor stand down.

The Labour group have amended their representation on each of the committees and sub committees, accordingly, see below, and other groups have this opportunity to revise their individual membership if they so wish.
