

Blyth Town Council are seeking your views on the relocation of the Play Area currently on Axwell Drive.

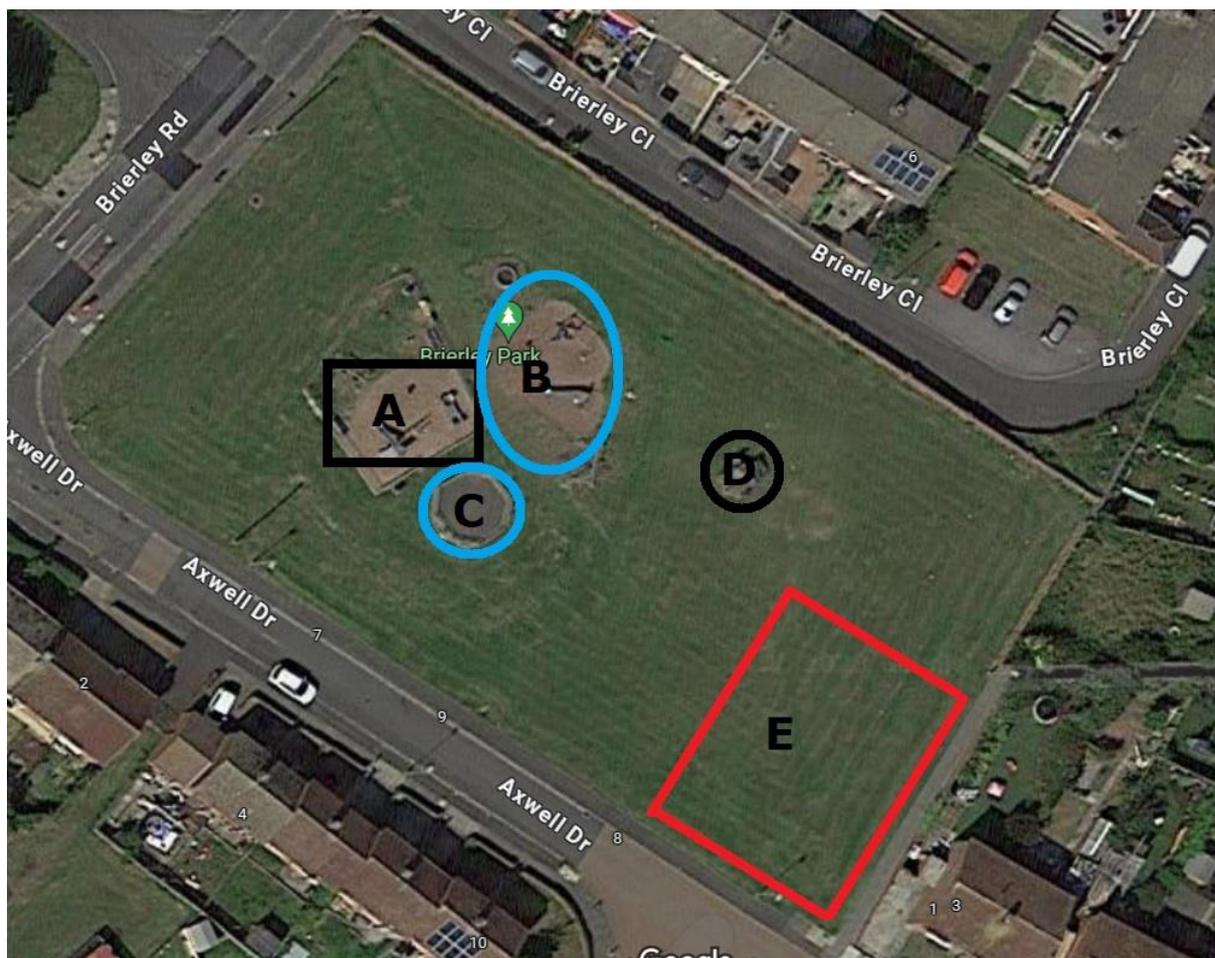

Blyth Town Council have agreed to the provision of a new play area within the current refurbishment programme on the grassed area at Axwell Drive. The consultation is to determine if residents prefer the current location compared to it been relocated to a new area.

We believe the new area would be less prone to flooding and being waterlogged.

Following consultation and Council approval the park would be relocated to area E (RED)

AREAS A AND D WILL BE REMOVED AND REINSTATED

AREAS B and C WILL REMAIN IN PLACE

APPENDIX A
