

**BLYTH TOWN COUNCIL**  
**Environment Committee**  
**Thursday 15 September 2022**  
**Decision Report 1**

**Rainbow Seats X 7**

**Recommendations**

**The Committee RESOLVE to agree to the replacement of the 7 seats with the same number of recycled plastic seats in the vicinity of Morrisons car park.**

**The cost of the replacement seats will be met from NCC Councillor Nisbet's MLIS fund.**

Ward

Croft

Risk Management

There will be no financial implications on Blyth Town Council with regard to the installation.

Objective

Maintaining the environment by updating street furniture with recycled plastic.

Report

Ward and County Councillor Nisbet wishes to replace the seats that are on the boundary of Morrisons car park which are made from steel and wood. The seats that will replace them are all made from recycled plastic and are aptly named rainbow seats because of their colours. This will help to brighten the area up also.
