

Rent Collection Change

Email received from S Danielson Secretary of BSHAA

08/04/2024 AT 08.00 hrs

Good morning Joe

After careful consideration after meeting of Wednesday 2nd of April and meeting with committee and members alike we feel that the change to taking rents in October is a non starter we feel that council has not thought this through as per tenancy agreement rule 3.1 which is what they all abide to states rent shall be taken in April and any default after 40 days terminates their tenancy .could this be taken back to council to revert back to status quo,a full years rent will be taken in April and council will be paid accordingly,I thank you in this regard
Stephen danielson secretary of Blyth small holdings and allotment association.
